O kompaniji

Ćimo Company je specijalizovani proizvođač tapaciranog nameštaja inovativnog dizajna, osnovan 1998. godine u srcu zapadne Srbije /Novo Selo, Loznica/, gde se nalazi i kompletan proizvodni pogon.

Proces proizvodnje je, usled kontinuiranog unapređivanja i investicija u najsavremenije tehnološke alate, u potpunosti optimizovan i interno zaokružen - od obrade drvenog masiva, do prošivanja poslednjeg ukrasnog štepa.

Rezultat kombinovanja multidisciplinarnog pristupa sa proaktivnim tehnologijama je proizvodnja funkcionalnog i adaptabilnog nameštaja, koji zadovoljava estetske kriterijume najrazličitijih segmenata kupaca na brojnim tržištima.

Naš imperativ je kreativnost – veština da se osmisli i izradi nameštaj sa karakterom. Svi naši dizajneri u saradnji sa posvećenim timom, u pripremi novih kolekcija pažljivo osluškaju i anticipiraju potrebe naših kupaca, kao i vodeće globalne trendove u industriji nameštaja.

Fokusirani na detalje, visoke standarde i beskompromisni kvalitet izrade, naši zaposleni u proizvodnji zauzimaju zasluženno mesto među najvrednijim resursima kompanije, i pomažu da rastemo zajedno, iz dana u dan.

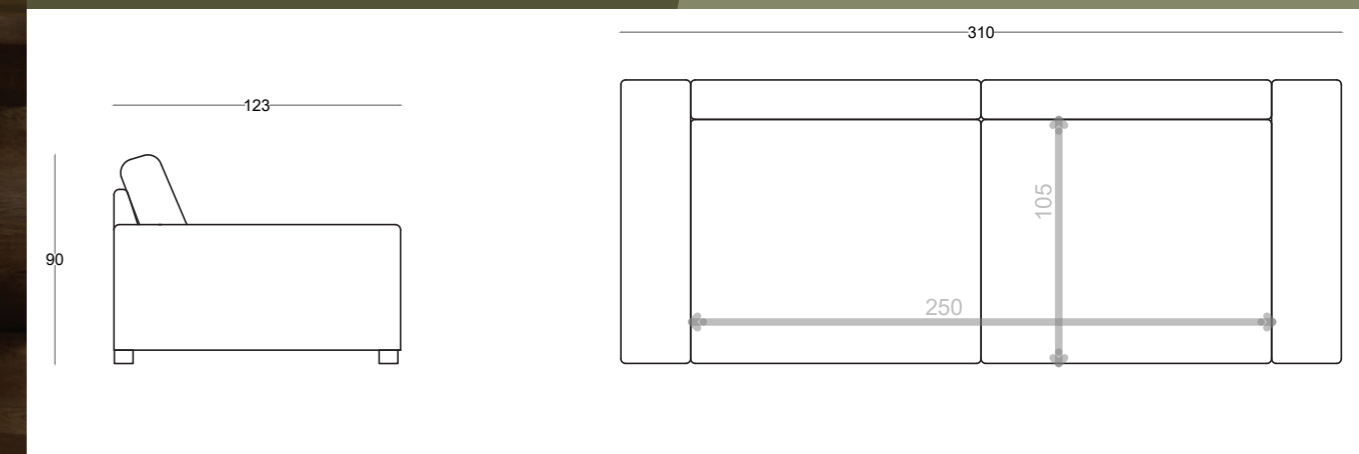

About company

Ćimo Company is recognized state-of-the-art design upholstered furniture producer, founded in 1998, in the heart of Western Serbia /Novo Selo, Loznica/. Production facilities are based at the same location.

As a result of investing in permanent development and cutting-edge technologies, production process is fully controlled internally, from the wood section operations, to the last decorative stitch on the sewing machine.

Multidisciplinary approach combined with proactive technologies makes our furniture versatile and visually tempting for different market segments, at the same time.

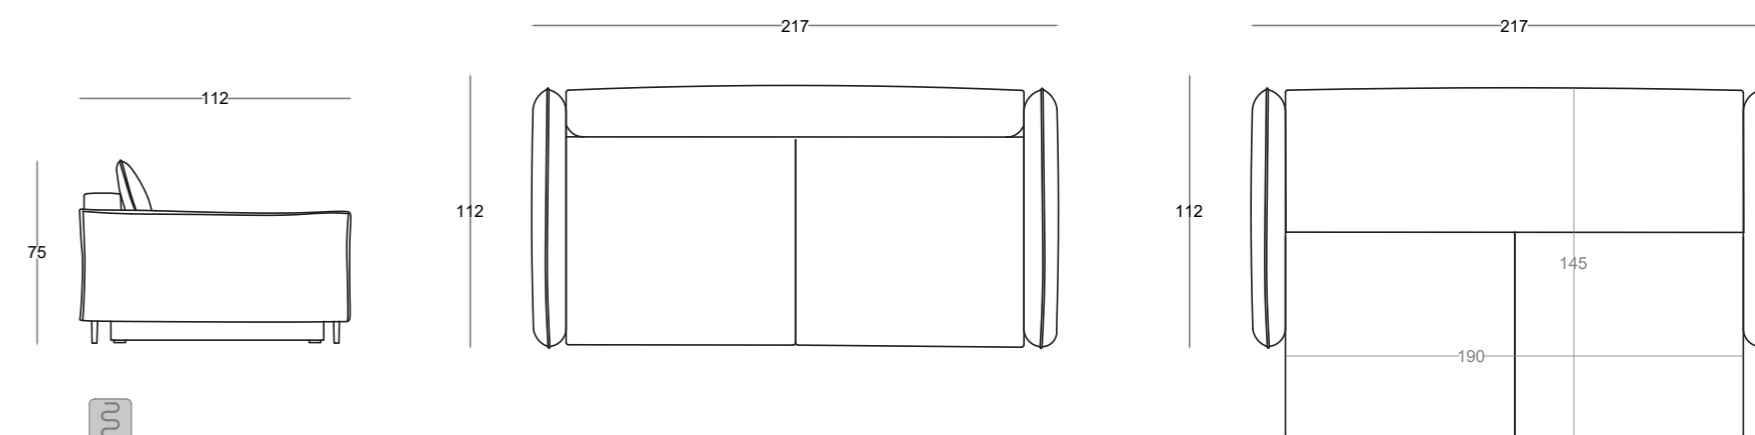

We're driven by the idea of being a vanguard of creativity – develop and create modern furniture with character. Our designers work on each new collection closely with our dedicated team, in order to identify and anticipate consumer needs, as well as leading global trends in furniture industry.
